ABOUT THE EVENT

+++The event will be held in English, a translation into German will be provided. More information will follow shortly. Times are not finally confirmed.+++

In May 2023, H.E. Mindrolling Jetsün Khandro Rinpoche started teaching on the text “Profound Instruction on Shamata” ([Profound Śamatha Instruction | Lotsawa House](#)) by Mipham Rinpoche. She continued this teaching in 2024 and will continue it in 2025.

The retreat will also include sessions with Rigpa Senior Teachers Ian Ives and Kirsten Cieczor.

H.E. Mindrolling Jetsün Khandro Rinpoche is one of the outstanding Dharma teachers of our time. She holds both the Nyingma and Kagyu lineages and is known for her penetrating wisdom and humor.

It is her express wish that all participants who were not present in 2023 and 2024 listen to and study the teachings in advance in order to get a good connection to the continuing cycle.

There are two catch-up options for the teachings from the last two years:

Option 1

A summary of the teachings and further/alternative catch-up options are offered in the sessions with Ian and Kirsten as part of the event, which take place during the day on June 26 and 27 (JKR teaches in the evening on these two days). These sessions are included in the retreat price.

Option 2

The teachings from 2023 and 2024 are available at the following links for self-study in advance. The links will be provided once you have registered.

Note: The teachings will be made available on Prajna for a contribution of 30 euros (for 2023) and 50 euros (for 2024) and can be viewed until June 26, 2025.
